Tel: 01142 307939 **Website:** ngjasc.co.uk

Date: May 2024

Dear Parents and Carers,

The Club has been reviewing our finances, and has had to take the decision to raise fees from **September 2024**. We have not made this decision lightly, mindful that parents and carers are also under pressure due to the rising cost of living.

Our fees have not been increased since 2021, but our outgoings have been affected by the effects of inflation on food, resources, cleaning equipment, insurance, and training costs. We have also implemented the rise in the National Living Wage for workers over the age of 21 across all of our staff bandings.

Nether Green Junior After School Club is a non-profit charity, meaning that we do not aim to make a profit from the business, and any monies made are put back into the club via new resources for the children and ensuring that all staff training is kept up to date. We review fees annually in order to ensure that all of the costs involved in running the club are covered and we are able to maintain a small reserve to cover any unexpected additional costs that may arise in the future so that we can continue offering wrap-around care for the families at NGJS.

We believe that this cost increase will ensure the Club costs are sustainable, and we aim not to make another increase for the foreseeable future, recognising that stable and predictable costs are helpful to parents and carers.

ASC Costs:

- Regular - From £12 to £13.50
- Ad-Hoc - From £13 to £14.60

BC Costs:

- Regular - From £7.70 to £8.70
- Ad-Hoc - From £8 to £9

We hope you understand our need for the increase, please feel free to get in touch if you wish to discuss this any further or will face any difficulties with this change.

Thanks

Emma Panzout and Chloe Jones (Managers) and the NGJASC Management Committee
